Russ Friedewald, Executive Director
Illinois Board of Examiners
100 Trade Centre Drive, Suite 403
Champaign, IL 61820-7233

Dear Mr. Friedewald:

In response to and compliance with the Illinois Administrative Code, Title 23: Education and Cultural Resources, Subtitle A: Education, Chapter VI: Board of Examiners, Part 1400, Section 1400.90(c), please find attached the Chicago State University, Department of Accounting and Finance's guidelines for meeting the new educational requirements to sit for the Uniform Certified Public Accountant (CPA) Examination in the State of Illinois.

Research & Analysis in Accounting: Accounting (ACCT) 4316

This course meets the new two (2) SCH requirement for this identified skill set. The course covers the fundamentals of research for the following accounting courses: Intermediate Accounting, Government & Non-Profit Accounting, Tax, Advanced Accounting, Fraud and Accounting Theory.

Business Based Communications: Communication, Media Arts & Theater (CMAT) 1140

The new two (2) SCH requirement for this area will be met upon the completion of this course. Offered by the Department of Communication, Media Arts & Theater (CMAT), the course expects students to demonstrate competency in a variety of business communication theories and techniques which include, but are not limited to, interpersonal communication, public speaking, presentation skills, etc.

Business Ethics: Accounting (ACCT) 2520

This course meets the new three (3) SCH requirement and is designed to provide students with a thorough understanding of ethical theory as applied to issues of work and business. It emphasizes the discernment and analysis of the moral dimensions and implications of corporate conduct toward the employee, the consumer, and society as a whole with regard to what is to be valued in the workplace.

If you have any questions, please let us know.

Sincerely,

Vincent Osaghae, Chair, Accounting Curriculum Committee
