If your JUR ID was not received in a mass e-mail from ILBOE Notifications, please e-mail us at the Help Desk, help@ilboe.org using **JUR ID Error** as the subject.

Due to the upgrade of NASBA's Gateway system on March 5th, the Payment Coupons (PC) and Notice to Schedules (NTS) will no longer be sent to candidates.

You must log into their Gateway system by creating an account in order to print and pay the PCs and print the NTSs using the **JUR Code (IL)** and your unique Illinois Jurisdiction ID (**JUR ID**).

If you have yet to pass all four parts of the exam, your JUR Code & ID will be included on all approved Initial Exam application letters.

Instructions on how to create your account were sent directly from NASBA in a separate e-mail.
