

Illinois Uniform CPA Examination Educational Requirements

Education Requirements Prior to January 1, 2001

If you were approved to sit for the CPA examination by another jurisdiction prior to January 1, 2001 and wish to test as an Illinois candidate, you must have met the educational requirements listed below at the time you were approved and/or sat for the first exam section.

Please refer to Section 1400.90 of the Administrative Rules for complete transcript of requirements listed at www.ilboe.org

For questions regarding which option was used to process your evaluation, please contact our office, www.ilboe.org

January 2001 – July 1964:	120 total semester credit hours; 27 semester credit hours of the 120 total required should be in accounting, including Audit and Business Law. No more than 6 hours may be in business law.
